Downloadable Software License Options:

SINGLE USER

(1 user)

- PVAT03 Ortiz PVAT Base License – Complete Kit (a \$550+ value)**
(Downloadable software, digital manual, 50 online uses. Includes unlimited device installs for a single user, pay-per-use)
- PVAT04 Ortiz PVAT Base License**
(Downloadable software, digital manual. Includes unlimited device installs for a single user, pay-per-use)

Recommended for individual professionals looking for a comprehensive starter kit, this option (**PVAT03**) offers a single perpetual software license for one individual user with administrative control that can be installed on unlimited number of devices. Includes access to the digital manual, 50 uses, and pay-per-use model that includes all scoring and reports. If you require fewer uses to start with, we recommend starting with (**PVAT04**) and adding uses (**PVAT08**) to meet your needs.

ENTERPRISE

Solution
(20+ users)

- PVAT07 Ortiz PVAT Enterprise Unlimited User Licenses (administrator setup)**
(Downloadable software, digital manual, 100 online uses. Includes unlimited device installs and unlimited user access, pay-per-use)

Best value option for settings of 20 or more users. Recommended for organizations, such as school districts and large clinics, who have more than 20 users who will use the test. This best value option (**PVAT07**) offers an organization a perpetual software license that can be installed on an unlimited number of devices for an unlimited number of users. This license features administrative control to allocate uses across user accounts within the organization. Includes access to the digital manual on each device, 100 uses to allocate across users, and pay-per-use model that includes all scoring and reporting.
